Prineville Oregon-

Bomb threat at the Crook County Middle School

On 4-19-2007 at about 6pm, Prineville Police Officers responded to the Crook County Middle School regarding a threat that there was a bomb in a specific locker on the school property. The school was locked down and evacuated.

The threat was fully investigated and a decision was made to contact the Oregon State Police Bomb Squad who responded to the school from their Salem office. Once the Oregon State Police Bomb Squad was on scene they processed the locker that was in the threat. No explosive device was located in the locker.

As a precaution the school and every locker in the school were searched and nothing was found. Officers are looking into who made the threat at this time.

Eric Bush
Chief of Police
