DUII Patrol

Prineville, Oregon:

Prineville Police officers will be conducting a DUII patrol during the Fourth of July Holiday. Officers will be looking for drivers who may be under the influence of alcohol or prescription medications.

Each year millions of people enjoy this holiday but, do not make good choices after they consume alcohol or prescription medications.

We ask that you consider having a designated driver if you have consumed any alcohol. Each year drivers who think they were ok to drive end up in a vehicle crash and lives are lost. This could be avoided by doing the right thing. "Don't Drink and Drive".

We hope you enjoy the upcoming Holiday weekend, remember the life you could be saving could be yours or your loved ones.
