Neighborhood Clean-Up a Success

Location: Mariposa Avenue Area- Prineville, Oregon

On November 13, 2011, in cooperation with Habitat for Humanity, the Prineville Police Department held a Neighborhood Clean-up for residences in the area of Mariposa Avenue. Members of Habitat for Humanity, the Crook County Middle School Leadership Club, Crook County Juvenile Department along with police department members volunteered their time to help make this neighborhood an even better place to live. Together we cleaned roadside garbage, yard debris and junk from local residents and helped elderly neighbors. We completely filled several trailers with debris and garbage. In less than 4 hours, we removed over 2 tons of garbage.

We want to thank Habitat for Humanity for helping make this event such a success. Their community involvement is very important to the citizens of Prineville. We also want to thank the Crook County Juvenile Department, the Crook County Middle School Leadership Club and the citizens in the neighborhood who pitched in to make a difference for our city.

Additional Neighborhood Clean-Ups are planned for later this year throughout the city. Neighborhood Clean-Ups are part of the Prineville Police Department's commitment to Community Policing and our My Neighborhood, My Cop program.
