Traffic Alert - Update - Parade Information

Prineville, Oregon

The Run to the Cascades motorcycle rally is currently underway in Prineville, Oregon. Despite a relatively light turnout traffic continues to be a major issue on main thoroughfares in Prineville. Today a parade of motorcycles is scheduled to leave the Crook County Fair Grounds out the North gate, traveling north on NE Fairview Street to NE 3rd Street (Hwy 26) and then turning west and proceeding through town. During the parade east and west traffic on Hwy 26 will be detoured to side streets and significant travel delays should be expected for approximately two hours beginning at about 9:45am.

We are encouraging drivers to exercise patience and plan for extra time when driving through Prineville during these peak traffic periods and to refrain from traveling through Prineville during the parade if at all possible. Many motorcyclists will be on the road and we ask drivers to use extra caution during the rally event.

Street Closures / Restrictions:

-On going: NE 4th Street from NE Court Street to NE Elm Street is closed through Saturday, September 10th.

-9:45am to 11:00am: Hwy 26 from NE Fairview Street to Hwy 126 will be closed.

Eric Bush
Chief of Police
