“Fans Don’t Let Fans Drive Drunk”**

Prineville, Oregon

On 2-7-10, The Prineville Police Department will have officers out on patrol looking for Duii or impaired drivers.

If you’re hosting a party please make sure not to allow your guests to over consume alcoholic beverages. Remember you can be held liable and prosecuted if someone you serve ends up in an impaired driving crash. Make sure all your guests have designated sober drivers in advance. Serve food and include non-alcoholic beverages at you’re party. You may also stop serving alcohol at the end of the third quarter and begin to serve coffee, water and desserts.

The message is simple. Driving under the influence is a crime and not acceptable. Please “Don’t drink and drive, the life you could save could be yours.”
