## **Topic:**

**Spelling Correction on name of citizen who saved man from house fire.**

On 12/15/08 at about 1231 AM, Yanet Hernandez and her husband Martin Hernandez were able to pull their disabled neighbor from his burning home at 205 SE Lynn Blvd. In the original press release, we erroneously spelled Ms. Hernandez' first name Janet. The correct spelling is Yanet.

Please see our earlier press released for further details.
