Vehicle Break-Ins

Prineville, Oregon

Location: Ochoco Heights area, Prineville, Oregon

From 5:20am to 1:14pm on 09-01-10 the Prineville Police Department responded to five separate vehicle break-ins in the Ochoco Heights residential area of town. Items typically taken in these break-ins are anything of value that can be easily carried on foot and hidden. Compact discs, electronic devices, identification and cash are common items taken. Police are working several leads in the cases, but no suspects have been identified at this time.

Residents are strongly encouraged to keep vehicles locked and if possible, parked in well lit areas. Items of value should not be stored in vehicles, but at a minimum should be kept out of plain view.
