Vandalism Investigation

Prineville, Oregon

On 05-12-07 from 3:16am to 10:32am the Prineville Police Department responded to 16 separate vandalism complaints in the north east area of town. The complaints were primarily that someone had broken vehicle windows by throwing rocks or other objects through the glass. This follows another rash of vandalism complaints where several tires were slashed a week earlier. The Police Department is following several leads in the cases but is asking for help from the public. Anyone who may have observed suspicious activity in the early morning hours on or about May 12th is encouraged to call and report what they have seen.
