Vandalism Investigation

Prineville, Oregon

From the evening of August 18th to the 19th the Prineville Police Department responded to 6 separate vandalism complaints in the Northridge area of town. The complaints were primarily tires that had been slashed on vehicles with one vehicle window that had broken out. Total damage is estimated to be approximately \$2,200. While investigating one of the complaints evidence was developed that led Prineville Police to arrest a 12 year old boy and a 14 year old boy for the crimes. The boys lived in the general area where the crimes occurred and were also charged in a Theft from the local Bi-Mart store that occurred approximately two days earlier, but had been unreported. Anyone who had damage done to their home or vehicles during the weekend of August 18th and 19th is encouraged to contact the Prineville Police Department if you have not already reported the incident.
