Staff Report: Intent to Award "2010 2nd Street Reconstruct Project"

The first phase of the 2nd St Egress project was recently funded and constructed using Oregon Department of Transportation (ODOT) American Recovery and Reinvestment Act (ARRA) stimulus funds. The City of Prineville had a continuation of this project designed in hopes of securing additional stimulus dollars.

As the funding source for this project was unknown at the time, the City of Prineville had the project designed to meet ODOT specifications, City of Prineville specifications. Stimulus dollars are no longer available and the City of Prineville has chosen to utilize System Development Charge funds to construct this project. No stimulus dollars will be used on this project.

The work contemplated generally consists of furnishing all labor, equipment, supplies and materials to complete the 2010 2nd St Reconstruction Project.

750 lineal feet of City Street reconstruction from the east end of the 2nd St egress project to the western edge of the intersection of NW 2nd St and NW Meadow Lakes Dr including...
