STAFF REPORT

Date: June 24, 2014

To: Prineville City Council

From: Scott Smith, Street Superintendent

Staff Report: Intent to Award "2014 Slurry Seal Project"

The City of Prineville has recently requested bids for "2014 Slurry Seal Project". This project consists of the construction of a Type 3 slurry seal surfacing on three City streets. North Main Street shall be sealed from the intersection of NW 9th St to residence #2702 N. Main St. This project will also include Construction of a Type 3 slurry seal surfacing on 1st Street from NW Deer Street to NE Fairview Street consisting of approximately 15,220 square yards and Construction of a Type 3 slurry seal surfacing on NW & NE 2nd Street from NW Deer to NE Fairview.

The work contemplated generally consists of furnishing all labor, equipment, supplies, traffic control and materials to complete the slurry seal project.

A mandatory pre-bid conference was held May 22, 2014, attended by 2 contractors. The Engineer's estimate was **\$138,500.00**.

The City of Prineville received bids June 12, 2014 from the following contractors:

Bid results:

	TOTAL
Intermountain Slurry Seal, Inc.	\$146,000.00
Blackline, Inc.	\$160,971.20

The start date for this project is scheduled for August 8, 2014, with a completion date of no later than September 5, 2014.

Staff Recommendation:

Staff recommends Council approval of Intent to Award to Intermountain Slurry Seal, Inc. of Sparks, Nevada for \$146,000.
