Memo:

To: City Council

From: Chief Les Stiles

Date: January 21, 2015

Subject: Unclaimed and Converted Property List for Council Consideration.

Page 1 is miscellaneous property that can be auctioned/donated/ or destroyed. We will attempt to auction first, then possibly consider donation to non-profits and as a last effort will take remaining items to Eugene for destruction on our next trip.

Page 2 is filled a little over half-way with firearms that are to be destroyed. They have no value to the police department and will not be sent to a dealer to sell to the public. They will be going to Eugene on our next trip and certification of destruction will be kept in our files.

At the bottom of page 2 is a list of firearms that the previous administration had asked for permission from Council to auction to the public. The firearms listed are still in our custody and I would like to have them destroyed for the same reasons as given above. Because the Council had previously approved them for auction and we now want to destroy them we thought it best to have the Council modify their order of 4/8/14 to reflect these firearms have been approved for destruction.

STAFF RECOMMENDATION: Grant approval under Consent Agenda.
