To Whom it may concern:

City Council

The Prineville Police Department has a firearm in its possession from case # 16001783. The item was entered into the case as evidence. The District Attorney's office declined the case and the firearm is now available to release back to the owner. I have sent 2 certified letters to the owner at two different addresses with both letters being returned as undeliverable. I am proposing that the firearm now be transferred to the Prineville Police Department to be used for the department or for a trade in the future.

Case # 16001783 Item # 1 .22 Revolver

Sincerely,

Evidence Technician

Amanda Noland
