City Council:

The Prineville Police Department has had in its possession a Chipmunk .22 firearm since February 2017. The item has been released by the Crook County District Attorney's office and the case officer. According to the court judgment a new owner had been granted for the firearm. I had contacted the new owner and advised them of the procedure in which to get the firearm back. I also sent a certified letter to her advising she had 30 more days to complete this task. From the time I had originally contacted her to the end of the 30 days it had been approximately 4 months. At this time I am requesting that the firearm be transferred to the Prineville Police department for department use.

Case # 17000266 Chipmunk .22 firearm

Thank you,

Amanda Noland
