## DEPARTMENT OF PLANNING & COMMUNITY DEVELOPMENT STAFF REPORT

4/13/2021

**Annexation Overview:** The property is described as Map & Tax lot 15-16-05DA 03700. Tax lot 3700 is a 0.38 acre property located at 725 SE Bailey Road with a single family home. The primary purpose of these annexation is to partition the property and receive City water and sewer service. This annexation will annex the property and adjacent right-of-way into City limits and re-assign the current County zone of Suburban Residential Mobile (SRM1) to the City's General Residential zone (R2).

**153.034 ZONING OF ANNEXED AREAS.**

*An area annexed to the city shall, upon annexation, assume the zoning classification determined by the city to be in compliance with the Comprehensive Plan and/or the City/County Urban Growth Management Agreement. The determination shall be made by the City Council upon receipt of a recommendation relative thereto from the City Planning Commission.*

**URBAN GROWTH BOUNDARY AGREEMENT**

**Article III (3.3)**

*Conversion of this urbanizable land to urbanland can occur once public facilities and services are available and adequate to serve urban levels of development, and the land is annexed into the City and zoned for urban development.*

*Article IV (4.1)(a) - The City shall require annexation prior to extending water or sanitary sewer services to any property contiguous to the City within the unincorporated portion of the UGB.*

*Article V (F) - As a part of any annexation process, the City shall rezone unincorporated lands within the Prineville Urban Growth Boundary Area from the current County Zoning to the appropriate City zoning in compliance with the Urban Area Comprehensive Plan.*

**Finding 1:** Per the Urban Growth Management Agreement the property shall annex into the City to allow urban levels of development and receive City service. The City Planning Commission shall make a recommendation to City Council on the proposed annexation and zone re-assignment.

The Urban Growth Boundary Agreement with the County requires the City to comply with the comprehensive plan but also select an appropriate City zone based on the current County zone. The zoning determination is based on three factors: first, the Comprehensive plan designation; second, the current County zoning; and third, the surrounding City zoning and function of the area.

The Comprehensive Plan designation for the proposed property is residential and the County zoning is Suburban Residential mobile (SRM1) as shown above. The surrounding area within the City is zoned General Residential (R2).

**Staff Recommendation:** Staff recommends this property be zoned General Residential (R2) upon annexation to the City based on the following:

- Comprehensive Plan designation of residential
- Current County Zone of Suburban Residential Mobile (SRM1)
- Surrounding properties within the City are zone R2.
