The following item a tool box with misc. tools in case # 14001051 has been in evidence since 07/24/2014 and was a found property item. Several attempts have been made to make contact with the owner of the item and have been unsuccessful.

The following item a cordless drill master craft model in case # 15000661 has been in evidence since 04/19/2015. No owner has come to the Prineville Police department in search of the item. I am requesting that the Prineville Police Department retain both the misc. tool box and the cordless drill for department use.

Thank you
