2. State has reviewed Agency's prospectus and considered Agency's request for the Fund Exchange. State has determined that Agency's Project is eligible for the exchange of funds.
3. To assist in funding the Project, Agency has requested State to exchange 2018 federal funds, which have been allocated to Agency, for state funds based on the following ratio:

4. Based on this ratio, Agency wishes to trade \$115,719.00 federal funds for \$108,775.86 state funds.
5. The term of this Agreement will begin upon execution and will terminate two (2) years from the date that all required signatures are obtained unless extended by an executed amendment.
6. The Parties agree that the exchange is subject to the following conditions:
  - a. The federal funds transferred to State may be used by State at its discretion.
  - b. State funds transferred to Agency must be used for the Project. This Fund Exchange will provide funding for specific roadway projects and may also be used for the following maintenance purposes:

Such invoices will be in a form identifying the Project, the agreement number, the invoice number or account number or both, and will itemize all expenses for which reimbursement is claimed. Under no conditions shall State's obligations exceed \$108,775.86, including all expenses. Travel expenses will not be reimbursed.

Employers Liability insurance with coverage limits of not less than \$500,000 must be included. Agency shall ensure that each of its subcontractors complies with these requirements.
- l. This Agreement may be terminated by either party upon thirty (30) days' notice, in writing and delivered by certified mail or in person.
  - i. State may terminate this Agreement effective upon delivery of written notice to Agency, or at such later date as may be established by State, under any of the following conditions:
    - A. If Agency fails to provide services called for by this Agreement within the time specified herein or any extension thereof.
    - B. If Agency fails to perform any of the other provisions of this Agreement, or so fails to pursue the work as to endanger performance of this Agreement in accordance with its terms, and after receipt of written notice from State fails to correct such failures within ten (10) days or such longer period as State may authorize.

- ii. Either Party may terminate this Agreement effective upon delivery of written notice to the other Party, or at such later date as may be established by the terminating Party, under any of the following conditions:
    - A. If either Party fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow either Party, in the exercise of their reasonable administrative discretion, to continue to make payments for performance of this Agreement.
    - B. If federal or state laws, regulations or guidelines are modified or interpreted in such a way that either the work under this Agreement is prohibited or either Party is prohibited from paying for such work from the planned funding source.
  - iii. Any termination of this Agreement shall not prejudice any rights or obligations accrued to the Parties prior to termination.
  - m. State and Agency agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
7. When the Project scope includes work on sidewalks, curb ramps, or pedestrian-activated signals or triggers an obligation to address curb ramps or pedestrian signals, the Parties shall:
- a. Utilize ODOT standards to assess and ensure Project compliance with the Americans with Disabilities Act of 1990 (ADA), including ensuring that all sidewalks, curb ramps, and pedestrian-activated signals meet current ODOT Highway Design Manual standards;
  - b. Follow ODOT's processes for design, modification, upgrade, or construction of sidewalks, curb ramps, and pedestrian-activated signals, including using the ODOT Highway Design Manual, ODOT Design Exception process, ODOT Standard Drawings, ODOT Construction Specifications, providing a temporary pedestrian accessible route plan and current ODOT Curb Ramp Inspection form;
  - c. At Project completion, send an ODOT Curb Ramp Inspection Form 734-5020 to the address on the form as well as to State's Project Manager for each curb ramp constructed, modified, upgraded, or improved as part of the Project. The completed form is the documentation required to show that each curb ramp meets ODOT standards and is ADA compliant. ODOT's fillable Curb Ramp Inspection Form and instructions are available at the following address:  
<http://www.oregon.gov/ODOT/HWY/CONSTRUCTION/Pages/HwyConstFormS1.aspx>; and

8. Agency shall, at its own expense, maintain and periodically inspect any sidewalks, curb ramps, and pedestrian-activated signals on portions of the Project under Agency's maintenance jurisdiction upon Project completion and throughout the useful life of the Project to ensure continuing compliance with the ADA. This provision shall survive termination of this Agreement.
9. Agency acknowledges and agrees that State, the Oregon Secretary of State's Office, the federal government, and their duly authorized representatives shall have access to the books, documents, papers, and records of Agency which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts for a period of six (6) years after final payment. Copies of applicable records shall be made available upon request. Payment for costs of copies is reimbursable by State.
10. Agency certifies and represents that the individual(s) signing this Agreement has been authorized to enter into and execute this Agreement on behalf of Agency, under the direction or approval of its governing body, commission, board, officers, members or representatives, and to legally bind Agency.
11. This Agreement may be executed in several counterparts (facsimile or otherwise) all of which when taken together shall constitute one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.
12. This Agreement and attached exhibits constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either Party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision.

**THE PARTIES**, by execution of this Agreement, hereby acknowledge that their signing representatives have read this Agreement, understand it, and agree to be bound by its terms and conditions.
