

ORDINANCE NO. 1256

AN ORDINANCE NAMING A PRIVATE ROAD WITHIN THE FACEBOOK CAMPUS

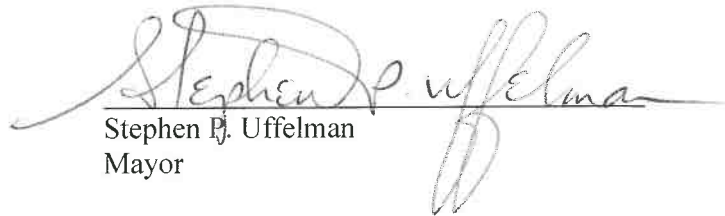

The Prineville City Council makes the following findings:

1. Fred Kroon (“Applicant”) on behalf of the property owner Vitesse, LLC (“Vitesse”) located at 735 SW Connect Way, Prineville Oregon, filed an application with the Crook County Department Addressing Division to name a private road SW Social Loop.
2. As part of the application, Vitesse was required to have approval of the City of Prineville because the Applicant’s property is located within Prineville city limits.
3. The Vitesse property is the only property that has access and addressing to the proposed road name. No other property will be affected by this road naming.
4. The Vitesse property named the other private roads serving the campus with Ordinance 1246, enacted on the 25th of September 2018.

BASED UPON the above findings, the people of the City of Prineville ordain as follows:

1. A private road serving Vitesse, LLC property is hereby created and named SW Social Loop, as shown on the attached map, Exhibit A.

Presented for the first time at a regular meeting of the City Council held on December 10, 2019, and the City Council finally enacted the foregoing ordinance this 14th day of January, 2020.

Stephen P. Uffelman
Mayor
