

Public Notice

The City of Prineville Transportation Department will be repaving NW Gardner Road. On Monday, August 8th late afternoon the contractor is scheduled to grind the existing asphalt at both the Madras Highway end and the Lamonta Road end of Gardner. During this procedure, there will be a flagger stationed at the Western Sky intersection advising motorists which way to proceed. On Wednesday, August 10th the contractor will begin repaving Gardner Road. During this element of the project, flaggers will be present at the Madras Highway intersection, the Western Sky intersection, and the Lamonta Road intersection. The City of Prineville realizes that there is no secondary access for the Western Sky and Teal Loop Residences. Therefore, we will make accommodations to provide you access through the paving construction zone. There may be some delays getting in and out of your development. We ask that you have patience during this project and treat the flaggers with respect. The City of Prineville and the contractor will do everything possible to complete this project in a timely manner. If you have questions or concerns, please contact Scott Smith @ 541-419-3165. Thank you.
